

**Regulations Governing the Collection of Computer and Network Communication
Fees
at Lunghua University of Science and Technology**

I. Definitions of Fees

1. **Computer Lab Fee:** This fee is charged per semester for students enrolled in courses that utilize computer laboratories (including specialized computer labs, project labs, or professional laboratories).
2. **Network Communication Fee:** This fee is charged to every student per semester. The provided network communication resources include campus network systems, wireless network systems, computer equipment in public spaces, student email services, student information systems, campus-licensed software (Software Cloud), and campus apps.

II. Fee Standards

1. For students enrolled in or after the 2024 (113) Academic Year:

- (1) Computer Lab Fee NT\$1,200 / Amount (Per Semester)
- (2) Network Communication Fee NT\$300 / Amount (Per Semester)

2. For students enrolled in or before the 2023 (112) Academic Year:

Computer Lab Fee NT\$887 / Amount (Per Semester)

3. Senior students (Day Division) participating in full-semester off-campus internships:

- Computer and Network Communication Fees will **not** be collected.
- However, if a student returns to campus to take courses, the following standards apply:

- (1) Enrolled in/before 2023 (112): Computer Lab Fee of NT\$887 per semester.
- (2) Enrolled in/after 2024 (113): Computer Lab Fee of NT\$1,200 and Network Communication Fee of NT\$300 per semester.

4. For students extending their graduation (Deferred Students)

- (1) Enrolled in/before 2023 (112): Computer Lab Fee of NT\$887 per semester.
- (2) Enrolled in/after 2024 (113): Computer Lab Fee of NT\$1,200 and Network Communication Fee of NT\$300 per semester.
